Mr. Edgecomb:

I have been away from the office and I am travelling from Wednesday through Friday of this week. As I have discussed with you, the EPA intends to involve McKesson and its representatives in the Agency's decisions concerning deed restrictions and other issues.

Are you available late this afternoon about 4pm Central Time to speak?

Dear Ms. Moran:

Can you please let me know when we can have a telephone conversation about the status of three issues (deed restrictions; Ready for Reuse designation/NPL delisting) referenced in my attached 6/20/12 letter? We have not heard anything further from EPA on any of these topics since this letter was sent and we would still like to have a response as to EPA's actions regarding them since my letter was sent, or any intended actions by EPA regarding them in the future.

I look forward to your response.

Regards, John
